We're changing the world one person at a time.  
We're making it better, don't you see?  
We're changing the world one person at a time.  
The very first person is me, is me.

# Do I Dare?

Oh. Oh.

I dare to act like a thinking human being  
with my head on straight and my priorities clear.  
I dare to act like a person who can function,  
who is in control and who is always sincere.  
I dare to live with a grown-up kind of wisdom  
even though I am young with a long way to go.  
I dare to live like I care what I am doing,  
even when someone else tries to mess with my show.

Do I dare? Do I dare?  
Do I dare? Yes, I do, 'cause I know where I stand.  
Do I dare? Yes, I do, 'cause I have my own plan.  
Do I dare? Yes, I do, 'cause I know that I can.  
Do I dare? Do I dare? Yes, I do.  
I dare.

Oh. Oh.

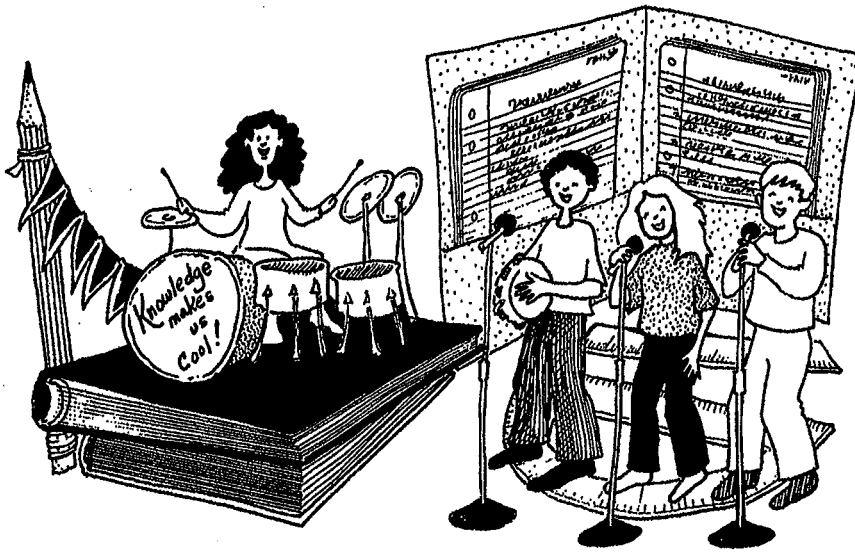

I dare to choose how my life is going to happen  
with a mind that's clear and knows what's wrong and what's right.  
I dare to choose to be ready for my future,  
I can see it now, it's full of promise and light:  
I dare to live with the knowledge that I matter,  
and the choices I make are the best ones for me.  
I dare to live with integrity and honor  
and a vision for things I could possibly be.

Do I dare? Do I dare?  
Do I dare? Yes, I do, 'cause I know where I stand.  
Do I dare? Yes, I do, 'cause I have my own plan.  
Do I dare? Yes, I do, 'cause I know that I can.  
Do I dare? Do I dare? Yes, I do.  
I dare. Yes, I do, 'cause I know where I stand.  
Do I dare? Yes, I do, 'cause I have my own plan.  
Do I dare? Yes, I do, 'cause I know that I can.  
Do I dare? Do I dare? Yes, I do.

I dare.

# Education Rocks!

What we learn and what we know will make what we become.  
There's nothing good to gain in life by acting like we're dumb.

We have our minds. We have the right to know!  
We're smart! (yell: We're smart!) 5M  
And wise! (yell: And wise!) 5M  
Our knowledge makes us grow!

We talk the talks. We walk the walks. We know education rocks!  
We talk the talks. We walk the walks. We know education rocks and rolls!  
Yeah, it rocks and rolls! Yeah, it rocks!

Ignorance and apathy are baggage for a fool.  
There's nothing smart in dropping out. We'll keep ourselves in school.

We'll use our brains. Let education rule!  
We're smart! (yell: We're smart!)  
And wise! (yell: And wise!)  
Our knowledge makes us cool!

We talk the talks. We walk the walks. We know education rocks!

part 1:

# Make A Difference

Ev'ryone has got a chance to make a diff'rence big or small.  
Ev'ryone can give a little for the good of one and all.  
Opportunities knock ev'ry minute. They're comin' along.  
Ev'rything that we face together helps to make us close,  
to make us strong!  
We are strong together!

*chorus:*

We can make a diff'rence! We can lend a hand!  
We can make some changes when we take a stand!  
If we put our heads together, we can find a better way!  
When we put our hearts together, we can make a diff'rence today!  
We can!

Ev'ryone has things to offer that could help so many ways:  
Ev'ryone can make an effort working toward some better days.  
Look around and you'll see lots of chances. Just look anywhere.  
All the things that we do together – giving, working, showing how we care!  
How we care together!

*repeat chorus*

We can make a diff'rence! Yes, we can!  
Today!

# Time to say Goodbye

The time we've had together  
is coming to an end –  
the things we learned,  
the laughs we shared,  
the days we got to spend.  
Until we meet again someday,  
our thoughts will be nearby.  
But till that day, and just for now,  
it's time to say goodbye.  
But till that day, and just for now,  
it's time to say goodbye.

*speak:* Goodbye.

# An Adventure!

part 1:

Ev'ryone says that life is a journey.  
Ev'ryone says there's so much to know.  
Maybe it's true that life is uncertain.  
Maybe it's true we learn as we go.

I don't know how it will go. *5R part 2*  
I don't know how I'll do. *divisi*  
But I do know that I can try,  
'cause ev'ry day is new!

With an open mind and an open road  
and a path that lies before me,  
I will find my way ev'ry night and day.  
Oh, my life will be an adventure!

Ev'ryone says that life is a myst'ry.  
Ev'ryone says we get what we give.  
Maybe it's true we're in this together.  
Maybe it's true we grow as we live.

*5R* part 2 (opt.):
